

WebsitesYouControlYourself.com

We setup and design the look. You can make changes, add and delete pages in minutes! Easier than typing an email!

Your Website Checklist

1. Open an account at www.FromTheDeskofDomains.com _____
2. Purchase at least 1 new .com name for your business _____
3. Save your login passwords to www.FromTheDeskOfDomains.com
as you will want to buy many more domains later, you will know why later, just trust us here: _____
4. Get a CPANEL Wordpress Hosting Account at <http://www.HostGatorAccount.com> _____
(We suggest you get the \$15 a month business account, unlimited websites, toll free number, unlimited space)
5. Send your websites settings email and your FromTheDeskOfDomains.com passwords to Anna at indieaj@gmail.com or call her at **404-444-3707** _____
6. Get your photos and logos and send to Anna by email _____
7. Look at our examples to get idea of what you want as you only have 2 hours with this plan, not being prepared will cause us to waste time and we will not be able to get your site completed in allotted package time. We don't want to, but we will be billing you for additional \$100 per hour for production over 2 hours and that is not needed! Be prepared and be decisive as we have built sites for customers in less than 15 minutes, 2 hours is plenty of time.

8. Once your Wordpress website system is ready for your content, watch our customer only tutorials on the support tab to be able to add your advertising text, contact information, pictures and eventually audio & video _____
9. Look at your websites online to get ideas of what content to create to plug into your site, but create information that will convince a stranger to do business with you. You must be a salesperson in print, audio or video _____
10. Look at our other services after you have mastered and completed the above steps _____

We want and encourage you do as much as you can yourself as you must either spend time or money to get the job done to make your website work for you. A website that is ignored will not produce the results of one that is cared for, current and ever changing. If you need more help and want to know more about our marketing support services, contact us about growing your site's success with more services such as Sales Copy Writing, Custom Photography, Logos, SEO, Pay Per Click Advertising, Video Production, Email List Management, SMS Text Systems, Pro Blogging, Article Submissions, Social Media Marketing and whole lot more. It is all important and works, and now you have your website live and because you are in control, you can choose do these much needed services yourself or hire use to help. Either way, we want your website to work for you! Call us at 770-888-2276
